Congratulations to Manel Camps for being selected as Crown provost!

"I am excited to lead Crown's academic program for the next three years. I come with a background in science and with experience as a first generation college graduate. My first priorities will be enhancing the Crown College core course, helping connect Crown students with resources available on campus and promoting entrepreneurship."

-Manel Camps

FEATURE OF THE QUARTER!

CROWN STUDENT SENATE (CSS)
Crown Student Senate (CSS) is the student governing body for Crown College. Consisting of elected Senators and appointed building Representatives, CSS is responsible for allocating $40,000 of Crown student fees to programs and events across campus that they believe are of benefit to Crown students. CSS discusses and votes on issues affecting the everyday life of UCSC students and serves as the voice of Crown students to the campus student government (SUA) and a variety of administrative committees. Being a part of CSS is an excellent way to know what's happening at UCSC, get connected to Crown resources and make a difference in campus life. For more information on CSS, click HERE.

These events have been funded by CSS for Spring 2015:

A Unique Aspect of Crown: Crown Science/Public Affairs Tables

What are these events? They are informal dinners (provided gratis by the college) that give Crown students a chance to meet and hear a faculty member discuss his/her research. The talks are presented at a level that can be followed by non-majors in the discipline.
