-  STAIRS
-  RESTROOMS
-  YOU ARE HERE

## ***Self Guided Tour of Crown College!***

*Your tour starts at the CROWN CIRCLE. The entrance to our college is aptly named and a convenient meeting and reference point. US mail and campus mailboxes are at the circle. The Night Core Shuttle stop is located here.*

**The Crown Mailroom** - a.k.a. the Gatehouse Every Crown student gets a mailbox while in residence. Off-campus students can request a mailbox. There's also a pay phone and a campus phone inside. You'll find campus newspapers here and free weekly community entertainment guides.

### ***College Administration Office*** -

The Admin. Office houses many college staff: **Provost** - oversees the Crown Core Course named, "Ethical Issues in Emerging Technologies" and Academic functions of the college, **College Administrative Officer** - responsible for overall operations and budget of the college, **Crown Academic Advisors** - provide academic advising by drop-in and appointment, **Building Maintenance Staff** - responsible for building maintenance and safety.

**Crown Classroom building** houses writing tutors, public rest rooms and several classrooms. Student study groups can use empty classrooms during the day. Students attend classes all across campus.

**Fireside Lounge** - This is a public social and activity space with a TV, VCR, DVD, piano, vending machines, and change machine. People also use it as a study area.

**Crown Dining Hall** - The Crown dining hall offers continuous dining during traditional meal times and in between. Residents can eat at any dining hall on campus using their ID card. All students living on-campus will have a meal plan. If you are not a resident, you can purchase meals with cash or use Flexi Dollars, which you can buy from Campus Dining Services. Three College Nights (special theme dinners with live entertainment) per quarter are scheduled here as well.

**Banana Joe's** - The café at Crown, offers sandwiches, burgers, coffee and snacks. It is also a convenience store for household goods and groceries. You can use cash, Flexi dollars or your apartment meal plan here.

**Vallier Hall** has faculty offices and rest rooms.

**College Programs Office** - Lots of students work here: Program Assistants, Orientation Leaders, and the Crown Student Senate. They plan activities and use student fees to fund programs like movies, dances and student organizations. The **College Programs Coordinator** works here and plans college-wide programs including commencement.

**Student Study Center** - During the evenings this is Crown's group study area.

**The Residential Education Office** houses both Crown & Merrill College staff. It is located next door in Merrill College (buildings with the blue roofs). This is the office where you will find your **CRE (Coordinator for Residential Education)**, a full-time live-in professional. The CREs supervise Resident Assistants (RAs). If you get locked out, the **Office Coordinator** in this office can help you. Also located here is our **Housing Coordinator** who makes roommate and room assignments. The **Associate College Administrative Officer** oversees all aspects of the Residential Education program for both Crown & Merrill. They are open M-F 8:00 am - 7:00 pm.

*If you visit us in person, you can stop here if you would like to view a residence hall room; we may have staff available to show you a room. See map for directions.*

**Lower Quad buildings** - Rutherford, Gauss, Galileo, Descartes. Student Resident Assistants live in each building to support a safe, fun and comfortable community for all.

**Crown College Library** - Is a Quiet Study Area open daily until 2:00 a.m. A Computer Lab is on the second floor and is open for personal and classroom use. There is another lab next door at Merrill College.

**Upper Quad includes** - Harvey, Leonardo, Galen, and Maxwell resident halls. Each of our residence halls has a laundry room in the basement and microwave in the lounge. Some of the buildings have bicycle storage rooms inside the buildings. .

If you visit campus you can also visit other areas near Crown. You can cross the parking lot and see our apartment community. The apartments lounge, which is open to all students, has a large-screen TV, video games, foosball, ping pong and a pool table. There is also a grass volleyball court and disc golf basket near building 14. From the apartments, our students have excellent access to upper campus hiking and biking trails. On your way to the apartments you might notice our campus radio station and the GLBTI Resource Center which are open to all UCSC students.

Thanks for taking our tour.
