

Crown Student Senate
Report to SUA Chair
March

Crown Activities:

Crown has continued fulfill its role as a funding and decision making body. All of our actions can be found in our minutes at: <http://crown.ucsc.edu/studentlife/css.php>

SUA Evaluation:

Crown would like to see a stronger relationship between the leadership of the SUA and the individual college governments. Relations fall under the chairpersons responsibilities in the constitution and we would like to welcome the chair and any other officers to join us on a Monday night at 8:00 p.m. in the Crown Fireside Lounge. We would be pleased to add a discussion period to our meeting as we have done several times for the Commissioner of Academic Affairs.
