Crown Leadership Development Certification Program

Mapping out Your Plan

**Getting Started**
- Attend introductory workshop
- Complete pre-assessment survey
- ✔ You’re registered in the program!

**Year One**

**Component One:**
- Get details for your first and second choice Student Positions (process, deadlines, application).
- Apply for the jobs.

**Component Two:**
- Consider course options and preferences – decide what your first and second choices are and when they will fit with your academic schedule. Confirm that the courses you’re interested in will be offered when you want them (e.g. not all courses are offered every quarter or even every year).
- Winter: Enroll in Crown 28
  - 4-year students: Must be completed by end of your 2nd year.
  - Transfer students: Must be completed by the end of your 1st year.

If you wish to make a course substitution please note that you must complete a Component Substitution Petition and get substitution approval before you complete the course.

**Component Three:**
- Explore organizations you might want to be involved with for a full year. Find out what they do, time commitment and specifically what your leadership options within the organization would be.
- Apply and/or run for election and/or start your organization involvement.
- Check calendars and make a plan to attend at least one approved event.
  This is when these events typically happen:
  - Anytime – UCSC Police or City of Santa Cruz Police Ride Along
  - Fall events - Practical Activism Conference, Rainbow Theater
  - Spring events – Walk a Mile in Her Shoes, Take Back the Night, Cesar Chavez Convocation, Kresge presents PRIDE

Plan to attend events throughout your academic time here (DON’T wait until your last quarter!).
If you wish to make an event substitution please note that you must complete a Component Substitution Petition and get substitution approval before you attend the event.

- Turn in your Verification Form (quarterly or annually)

**Year Two & Beyond**

**Component One:**
- Work in a Student Position

**Component Two:**
- Follow/update your plan for completing courses

**Component Three:**
- Participate in an organization
- attend at least one approved event

- Turn in your Verification Form (quarterly or annually)

**Completion**
- Turn in your final Verification Form – DUE at the end of the quarter BEFORE you graduate.
- ✔ Complete post-assessment survey
- ✔ You’ve completed the program!
